

*Supporting the ARTS  
has never been easier!*

**SHARE YOUR LOVE OF  
THE ARTS WITH FUTURE  
GENERATIONS...**

Often an over-looked asset, tangible personal property such as works of art, antiques, books, jewelry, furniture, miscellaneous household items, clothing and coin collections can be donated and turned into cash, impacting the lives of many.

You can make this type of gift to the Woman's Exchange directly, or through your estate.

A charitable gift of this kind will then be sold through the Woman's Exchange's vast consignment or estate sale operation, relieving you and your loved ones of the stress that can come from downsizing or liquidating an estate. The proceeds from the sale of your items will be used to support the Woman's Exchange's mission and filtered back into the local community in the form of arts related grants and scholarships. Additionally, a donation of this nature can be an efficient and cost effective approach to help simplify your affairs.

## BENEFITS OF DONATING:

- Feel good knowing you'll be doing something positive for your community.
- No out of pocket expense is required.
- The Woman's Exchange is a 501(c) 3 organization. As a result, your generous gift may qualify for a charitable deduction for federal income tax purposes. *(For more details contact your legal and financial consultant.)*
- Because the Exchange uses a comprehensive system to manage point of sale, inventory and accounting, we are able to not only track your merchandise electronically but also provide you with an itemized statement that details when an item was priced, the initial sale price and what it ultimately sold for.
- **Accountability & Transparency:** The Woman's Exchange is committed to having an annual independent audit conducted.
- The "Royal Treatment" program will not only help simplify the process but it will also save you time and possibly even money.

## ROYAL TREATMENT PROGRAM

The Woman's Exchange's "Royal Treatment" program was designed to help individuals who are moving, downsizing or liquidating an estate.

A life change of this magnitude can be daunting, emotionally draining and at times costly especially when it requires long distance travel or it becomes necessary for a member of the family to take time off from work.

Not only will the Woman's Exchange simplify the process by coming into your home, packing and removing everything you wish to donate but will also provide you with an itemized list detailing your gift. There's no charge for this service and you'll have the added satisfaction of knowing your donation will be put to good use, benefiting the lives of so many for generations to come.

Unfortunately, there may be a times when an estate does not qualify for the "Royal Treatment" program due to unsaleable merchandise. In that case, we will put you in contact with one of our many partners who may be able to lend a helping hand.
