

# *Supporting the ARTS has never been easier!*

The Woman's Exchange's "Royal Treatment" program was designed to help individuals who are moving, downsizing or liquidating an estate.

A life change of this magnitude can be daunting, emotionally draining and at times costly. This is particularly true if it becomes necessary for a member of the family to take time off from work or requires long distance travel.

Not only will the Woman's Exchange simplify the process by coming into your home, packing and removing everything you wish to donate but will also provide you with an itemized list detailing your gift. There's no charge for this service and you'll have the added satisfaction of knowing your donation will be put to good use, benefiting the lives of so many for generations to come.

Unfortunately, there may be times when an estate does not qualify for the "Royal Treatment" program due to unsaleable merchandise. In that case, we will put you in contact with one of our many partners who may be able to lend a helping hand.
